Guidance Notes

FULL PLANS APPLICATION

You may use a Full Plans application for any type of work. Full Plans applications benefit from a full check at design stage for compliance with the Building Regulations. You must submit a Full Plans Application if the works involve a building to which the Regulatory Reform (Fire Safety) Order 2005 applies or the work which includes the erection of a building fronts onto a private street.

NOTE - Plans are only full plans if they consist of—

- a description of the proposed building work, renovation or replacement of a thermal element, change to the building's energy status or material change of use;
- the plans, particulars and statements required by paragraphs (1), (1A) and (2) of regulation 13;
- where [paragraph H4 Schedule 1](#) imposes a requirement, particulars of the precautions to be taken in building over a drain, sewer or disposal main to comply with the requirements of that paragraph; and
- any other plans which are necessary to show that the work would comply with these Regulations.

1 **APPLICANTS DETAILS** –The applicant is the person who is making the application, this could be the same as the client, principal designer, or contractor.

2 **CLIENTS DETAILS** - The client is the person for whom the work is being carried out. A domestic client is a client for whom a project is being carried out which is not in the course or furtherance of a business of that client. [See Part 2A of the regulations.](#)

3 **PRINCIPAL DESIGNERS DETAILS** - The principal designer is the lead or sole designer appointed under regulation 11D to perform the duties of a principal designer under The Building Regulations etc. (Amendment) (England) Regulations 2023. [See Part 2A of the regulations.](#)

4 **PRINCIPAL CONTRACTORS DETAILS** - The principal contractor is the contractor appointed under regulation 11D of The Building Regulations etc. (Amendment) (England) Regulations 2023, and may be any person (including a client, but not a domestic client) who, in the course of a business, carries out, manages, or controls the building work for this project. **These details must be provided to the Local Authority before the construction phase begins.** [See Part 2A of the regulations.](#)

IMPORTANT INFORMATION – CLIENT APPOINTMENT OF PRINCIPAL CONTRACTOR AND DESIGNER.

If a domestic client fails to appoint, as per [Regulation 11D](#), these roles automatically default as follows:

- The designer in control of the design phase of the project is the principal designer.
- The contractor in control of the construction phase of the project is the principal contractor.

The majority of commercial clients will have the appointments in place, however, if not the client can temporarily take on these roles until appointments are made, as per [Regulation 11D](#).

In all cases the duty holders must be aware of their responsibilities under the new regulations, including the need to provide compliance declarations upon completion of the building work.

5 **LOCATION OF BUILDING TO WHICH WORK RELATES** - Please state the full address of the building or site to which the work relates including name/number, road, parish and postcode where available.

6 **PROPOSED WORK** - Briefly describe the proposed works to be undertaken. Please provide the reference number for any planning permission obtained in connection with the works.

7 **EXISTING USE OF BUILDING** - Where the work consists of work to an existing building, provide a description of the existing building, details of the current use of the building, including the current use of each storey, the height of the building and the number of storeys in the building as determined in accordance with [regulation 6 of the Higher-Risk Buildings \(Descriptions and Supplementary Provisions\) Regulations 2023](#).

8 PROPOSED USE OF BUILDING - State the proposed use of building (e.g. dwelling, office, factory etc), including the proposed use of each storey, the proposed height of the building and the number of storey's in the building as determined in accordance with [regulation 6 of the Higher-Risk Buildings \(Descriptions and Supplementary Provisions\) Regulations 2023](#).

9 FIRE SAFETY ORDER - State whether the [Regulatory Reform \(Fire Safety\) Order 2005](#) applies to the existing and/or proposed building where the work is intended, this includes shops, offices, hotels, hostels for hotel staff, boarding houses, factories and other uses.

10 DRAINAGE AND WATER SUPPLY – provide details of the:

- Water supply
- Foul water drainage
- Surface water drainage

11 BUILDING OVER SEWERS – Should the answer be 'YES', permission from Anglian Water will be necessary and relevant details submitted with this application for building control approval with full plans ([see paragraph H4 Schedule 1](#)). Work should not commence on site until this consultation has been made and a positive response from the Anglian Water has been received.

Contact Anglian Water Tel: 0345 60 66 087 Email: developmentsservices@anglianwater.co.uk

12 LOCAL ENACTMENTS – Provide details of the steps to be taken to comply with any local enactments that may apply.

13 CHARGES - An application must be accompanied by the appropriate payment for it to be valid. For further details see the joint Babergh & Mid Suffolk charges guidance notes. Inspection charges will be invoiced following the first inspection. All fees can be paid online via the Councils website, enter the reference number if known or full location address. Alternatively, you can pay via cheque or we can invoice.

Cheques should be made payable to 'Babergh District Council' or Mid Suffolk District Council' depending on the district dealing with your application.

Individual Charges: Applications are individually assessed for charges. You should obtain a quote for the works before making your application. This can be done via the Babergh and Mid Suffolk websites. Insert the fee details from your quote charge boxes. Please ensure that you attach a copy of our written quote.

Registered Disabled: Indicate whether the work is to be carried out solely for someone with disabilities. Proof of eligibility for exemption must be provided with the application.

14 COMMENCEMENT OF WORKS – Provide details of:

- The date when it is proposed the work will reach the point when it is to be regarded as commenced (in accordance with regulation 46A ([lapse of building control approval: commencement of work](#))), and
