

EXTERNAL CONTRACTOR GUIDANCE AND LOGOS

Letting contractors into your home

As part of your tenancy agreement, you are required to allow our contractors access to your home to perform essential safety checks, repairs, and maintenance. This ensures that the property remains safe, functional, and well-maintained.

Arranging visits to your home

Our contractors will contact you to arrange a convenient date and time to visit your property and complete any necessary work. Please ensure that you only allow entry to individuals with a pre-arranged appointment.

Our contractors will carry identification, and we strongly advise you to check this upon their arrival. If you have any concerns, please ask them to wait outside while you call us on 0300 123 4000. We will be happy to provide assistance and help to verify their identity.

Remember, your safety is our priority. Thank you for your cooperation.

**Below is a selection of contractors that we use
and an example of their logo.**
