Dear Bron

**FULL PLANNING APPLICATION - CONSTRUCTION OF A SOLAR FARM (UP TO 40MW EXPORT CAPACITY) WITH ANCILLARY INFRASTRUCTURE AND CABLING, DNO SUBSTATION, CUSTOMER SUBSTATION AND CONSTRUCTION OF NEW AND ALTERED VEHICULAR ACCESSSES.**

**LAND AT GROVE FARM AND LAND EAST OF THE RAILWAY LINE, BENTLEY**

Thank you for your consultation dated 07 December 2023. We have inspected the documents as submitted and have no objections to make on the proposed development, providing that you have taken into account the Flood Risk considerations which are your responsibility.

We note that one of the accesses crosses a non-main river so may require a permit from the council.

We trust this advice is useful.

Yours sincerely

**Mr Andrew Thornton**  
**Planning Advisor**
