4. KEY INFORMATION

- 4.1 A community governance review is a legal process that provides an opportunity for principal councils to review and make changes to community governance within their areas. It involves consulting those living in the area and other interested parties and making sure they have a say in how their local communities are represented.

4.2 The Review can consider one or more of the following options:

4.2..1 Creating, merging, altering or abolishing parishes

4.2..2 The naming of parishes and the style of new parishes and the creation of town councils

4.2..3 The electoral arrangements for parishes (for instance, the ordinary year of election; council size; the number of councillors to be elected to the council, and parish warding)

4.2..4 Grouping parishes under a common parish council or de-grouping parishes

4.2..5 Consider other types of local arrangements, including parish meetings

4.3 The Review cannot:

4.3..1 Change the number of councillors on Babergh Council

4.3..2 change the amount of money that a parish council raises through your council tax (known as 'precept')

5. LINKS TO CORPORATE PLAN

5.1 The Review is linked to the Communities outcomes in the Corporate Plan as an effective Community Governance Structure enables communities to be "engaged in decision making,"

6. FINANCIAL IMPLICATIONS

The costs of conducting a CGR must be borne by the District Council however there are limited financial implications associated with this review. The only actual costs of the review are the expenses incurred by undertaking public consultation, i.e., printing and postage. However, officer time will be needed to support the review, estimated at ten full days over the 12-month period. Although the number of hours may increase depending on the outcome of the first consultation. This will be allocated from existing team resources.

7. LEGAL IMPLICATIONS

7.1 Failure to agree the recommendations could result in the Council breaching its statutory duties under the Local Government and Public Involvement in Health Act 2007. If, at the conclusion of the review, the Council decides to alter any parish boundary or electoral arrangements a Community Governance Order will need to be made to effect the change. This order will be drafted by the Council's legal team.

Appendix B

1. During the review there were submissions from Sudbury Town Council for boundary changes that would have also affected the District Ward and County Division Boundaries and associated Electoral Arrangements.
2. As these boundaries and electoral arrangements were put in place following reviews carried out the Local Government Boundary Commission for England (LGBCE) and agreed by Parliament it is beyond the legal power of the Council to make any changes without the agreement of the LGBCE.
3. Due to the timescales of this review, there was not sufficient time to carry out the level of public consultation required by the LGBCE and get the LGBCE to consider making the necessary changes. It is therefore proposed that the Council commits to continuing the Community Governance Review to ensure further and adequate consultation with a view to secure LGBCE consent to any boundary change recommendation resolved by the Council.
