

Hadleigh Cycling Map

Hadleigh Cycling Club and Hadleigh Town Council are keen to get residents and visitors out on our bikes. New bike parking stands have been installed at several spots in the town, to add to the existing facilities.

Hadleigh is a town you can cycle across in 10 minutes, making it ideal if you want to bike to school, shops, pubs or cafes.

The 2-mile traffic-free Railway Walk is ideal for young children and novice cyclists.

Commuting by bike on lightly-trafficked roads and shared paths to Ipswich or Colchester takes approximately one hour, or 40mins to Sudbury

Hadleigh is linked by a number of signed cycle routes to neighbouring villages via a network of quiet lanes. The town has good links to Dedham Vale AONB and Stour Valley for cyclists.

More information and advice can be found at our website, www.hadleighcyclingclub.co.uk/maps where you can find lots of other great information about getting out on your bike on your own or with the club.
