To satisfy Regulation 5 of the Neighbourhood Planning (General) Regulations 2012 the following statement has been provided to explain why the area being proposed is considered appropriate:

Hintlesham and Chattisham are separate civil parishes represented by one joint Parish Council. The Parish Council had intended to prepare a People & Places Plan (PPP) but now acknowledges that this will not carry full weight in the determination of planning applications. Preparing a Neighbourhood Plan that covers our two parishes will ensure that locally identified planning policies are taken into account when planning applications are considered by the District Council.

Intention of neighbourhood area	
The following is intended to be undertaken within the neighbourhood area:	Neighbourhood Development Plan
Support provided for this choice:	
A parish level plan has been discussed extensively at Hintlesham and Chattisham Parish Council meetings. Started a PPP and this has been a monthly agenda item since April 2024. In line with this our working party developed a survey that was delivered to the whole community and we now have collated data from over 30% of parish residents. With PPPs looking unlikely to become law it was agreed that the working group would meet with an experience Neighbourhood Plan developer to help consider options. At our Parish Meeting on 12 th December 2024 it was unanimously agreed to covert from a PPP to a Neighbourhood Plan as this adds more value. We do not require a consultation to put this change in place as we have collected all data already.
