Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

1. During operating hours, the premises licence holder or a nominated representative shall be available to receive and respond to nuisance-related complaints. A contact telephone number shall be provided to the Licensing Authority for that purpose.
2. The premises licence holder shall adopt a 'Challenge 25' proof of age scheme. The premises licence holder shall operate a requirement for the production of a passport, driving licence or other bona fide form of identity carrying a photographic image, where the individual requesting the supply of alcohol appears to be under the age of 25.
3. Patrons shall not be permitted to leave the premises with opened bottles or glassware. The premises licence holder shall ensure that customers are not permitted to consume alcoholic drinks outside the premises – which includes whilst they are observing smokefree regulations.
4. There shall be no adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children.
5. Children shall only be permitted on the licensed premises during licensed activities or events where accompanied and/or under the supervision of an adult.

b) The prevention of crime and disorder

- Crime prevention posters shall be prominently displayed and maintained on the licensed premises relating to any prevalent crime and disorder issues in the local area.
 - No illegal drugs shall be permitted on the premises, and all hirers/users made aware of a zero tolerance to drugs on the premises.
-
- The premises licence holder shall ensure that all members of staff shall undertake suitable and sufficient training in respect of licensing law, offences in relation to prohibited sales and good practice in relation to promotion of the licensing objectives. Training records shall be accurately and legibly maintained and produced upon demand to an authorised officer of the Police or Licensing Authority. Refresher training shall be undertaken at least once every 12 months, with any new member of staff to be trained within six weeks of taking their position and prior to undertaking any direct duties in relation to the sale or supply of alcohol.

c) Public safety

- The premises licence holder shall ensure that notices detailing emergency evacuation procedures shall be prominently displayed and maintained on the licensed premises. Adequate arrangements shall be in place to ensure the safe evacuation of any disabled persons on the premises.
- The premises licence holder shall ensure that suitable and satisfactory public safety risk assessments are undertaken with outcomes to be legibly recorded in a log-book maintained for that purpose.

d) The prevention of public nuisance

- Waste from the licensed premises shall be removed in a timely manner (outside of the hours between 11pm and 7am) to an appropriate waste disposal facility, so as to minimise the risk of public nuisance.
- Staff on duty shall monitor the activity of patrons leaving the premises and assist with a managed departure. Persons leaving shall be reminded to act in a responsible manner and leave the immediate area with consideration to the needs of the local community.
- Monitoring shall take place both inside and outside of the licensed premises and due regard shall be had to whether the activities may lead to excessive noise at neighbouring properties. Appropriate remedial steps shall be taken, and recorded, in the event of any excessive noise levels being experienced.
- The premises licence holder shall take all reasonable steps and precautions to minimise the risk of disturbance or nuisance to local residents caused by events or attendees at the licensed premises (whether through people noise, entertainment noise, vehicular noise, waste disposal, event set-up or breakdown, littering or noxious odour).

e) The protection of children from harm

 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
